Purpose

Our Golf Tournament is the primary fundraiser for the Copperhead Sports organization and the 2010 Summer College Team.

Overview

The Copperhead Sports Organization is a non-profit 501 (c) 3 organization dedicated to providing regional baseball players the best instruction available in order to compete at the highest level. Currently, there are 4 youth Copperhead baseball teams comprised primarily of athletes from Northern Mecklenburg and surrounding areas. These teams compete primarily in AAU, USSSA and other sanctioned tournaments on the local, regional and national levels. The Copperheads 12U team has attended the Cooperstown Baseball World Series the last 6 years which has provided an unforgettable experience for those young men.

Summer College Team

Our summer wood bat collegiate team, the Lake Norman Copperheads, competes in the Southern Collegiate Baseball League. The Southern Collegiate Baseball League is a member of the National Alliance of College Summer Baseball that consists of legendary leagues such as Cape Cod Baseball and the Valley League, just to mention a couple. The NACSB is an organization that features only non-profit, wooden bat leagues and works closely with Major League Baseball to promote the scouting of college prospects and the overall promotion of the game. The Lake Norman Copperheads will play home games at Hopewell High School and will provide a great venue for all of the communities around the Lake Norman area to experience great family entertainment. Area businesses will have advertisement and sponsorship opportunities to reach the many patrons of the Copperheads. Come out and bring your friends and family to see the 2010 Lake Norman Copperheads, featuring Divisions I and II college players from all over the country beginning in June.

Please contact Jeff Carter if you or your company would be interested in getting involved with the Copperheads in any way. We have opportunities for sponsors at all levels, volunteers and host families for our college players. We can accommodate any level of interest!
